Informazione e Bioingegneria

## The PhD Program in Information Technology at DEIB

Prof. **Barbara Pernici**  
Chair of the PhD Program in Information Technology  
May 15th, 2019

### Self introduction

Prof. Barbara Pernici, IT PhD Coordinator

Francesca Clemenza, IT PhD Secretariat

Andrea Pimpinella

Fabio Garzetti

IT PhD students representative

POLITECNICO MILANO 1863

## Summary

1. The PhD in IT at DEIB
2. Information on the PhD call
3. Question answering 1
4. Information for students entering their PhD program now
5. Question answering 2

POLITECNICO MILANO 1863

## PhD in Information Technology at Polimi

- First PhD degree in Italy started in 1985
- 2 Nov. 2019: start of XXXV cycle
- PhD School of Politecnico di Milano
  - 19 PhD Programs in Engineering, Architecture, and Design
  - Central coordination and rules
  - Common teaching (transversal skills)
- PhD In IT
  - about 19% of the students of the School

POLITECNICO MILANO 1863

## The PhD in Information Technology (IT) at DEIB

### Goals:

- PhD thesis: an original research contribution
- Advanced education: advanced courses, seminars
- Opportunity to develop original research in a rich, international, multidisciplinary environment
- Opportunity of experience abroad, participation in conferences, publication on international journals

### PhD Candidate status:

- A student (earns a degree)
- An early stage researcher

POLITECNICO MILANO 1863

## Dipartimento di Elettronica, Informazione e Bioingegneria

- Politecnico di Milano is one of the top ten European Technical Universities in Architecture, Design and Engineering.
- The Dipartimento di Elettronica, Informazione e Bioingegneria is Politecnico's largest Department, very active in research at international level
  - European research projects
  - International research networks
  - Research published in international journals and conferences
  - International and national patents
  - Spin-off companies and consortia

POLITECNICO MILANO 1863

## Research areas in Information Technology

Dipartimento di Elettronica, Informazione e Bioingegneria (DEIB)

- Computer Science and Engineering
- Electronics
- Systems and Control
- Telecommunications

POLITECNICO MILANO 1863

## Computer Science and Engineering

Chair: Prof. San Pietro

PhD vice Chair: Prof. Silvano

### Research Areas

Computer architectures

Advanced software architectures

Artificial Intelligence and Robotics

Data management systems

Method and Technologies for Web Development

Communication and Multimedia

Information Systems

Performance Evaluation

POLITECNICO MILANO 1863

## Electronics

Chair: Prof. Fiorini  
PhD vice Chair: Prof. Geraci

### Research Areas

Circuits and Systems: theory and applications  
 Single-Photon Detectors and Applications  
 Radiation Detectors and Low Noise Electronics  
 Electronic Circuit Design  
 Electron Devices

POLITECNICO MILANO 1863

## Systems and Control

Chair: Prof. Savaresi  
PhD vice Chair: Prof. Piroddi

### Research Areas

Analysis and Management of Environmental systems and Land Use  
 Automation and Control of Plants, Machines and Networks  
 Vehicle Control  
 Nonlinear Dynamics  
 Optimization in the Design and Management of Networks  
 Advanced Techniques for Identification and Control

POLITECNICO MILANO 1863

## Telecommunications

Chair: Prof. Martinelli  
PhD vice Chair: Prof. Cesana

### Research Areas

Networking  
Applied Electromagnetics  
Information Transmission and Radio  
Communications  
Optical Communications  
Wireless and Space Communications  
Remote Sensing  
Signal Processing for Multimedia and  
Telecommunications

POLITECNICO MILANO 1863

## How to get further information

### *Research areas at DEIB*

- <https://www.deib.polimi.it/eng/research-areas>

### *Professors offering PhD positions*

- The official call (topic scholarships)
- <https://dottoratoit.deib.polimi.it/?m=3&id=5>

POLITECNICO MILANO 1863

### DEIB facilities

Piazza Leonardo Da Vinci (Milan)

Via Golgi, 39 (Milan)

Via Ponzio 34/5 (Milan)

Via Golgi, 40 (Milan)

POLITECNICO MILANO 1863

### DEIB facilities

Via Colombo, 81 (Milan)

Via Golgi, 42 (Milan)

Spino d'Adda  
Stazione Satellite

Lecco Campus

Cremona Campus

POLITECNICO MILANO 1863

## Laboratories

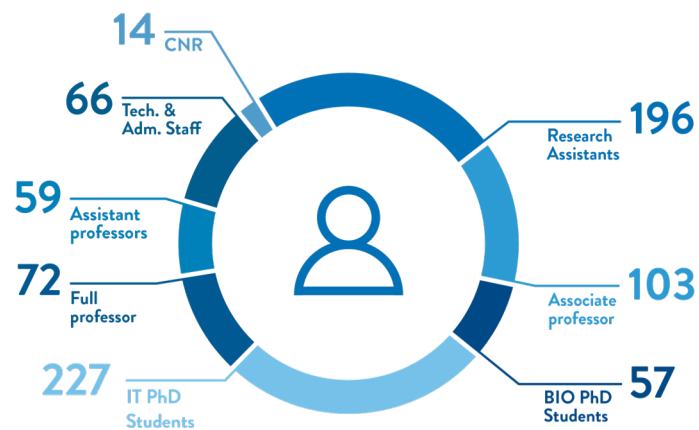

- 9 Bioengineering Labs
- 14 Computer Science and Engineering Labs
- 3 System and Control Labs
- 5 Electrical Engineering Labs
- 7 Electronics Labs
- 10 Telecommunications Labs

POLITECNICO MILANO 1863

## DEIB People: staff by role

794 people

POLITECNICO MILANO 1863

### PhD Programmes at DEIB

- PhD in Information Technology
- PhD in Bioengineering
- PhD in Data Analytics and Decision Sciences
  - Computer Science + Management Engineering + Mathematics
  - Theme scholarships
- PhD in Electrical Engineering

POLITECNICO MILANO 1863

### IT PhD students at DEIB

- 227 enrolled students (48 foreign)
- 55 titles awarded in 2018

#### Distribution according to Dept. areas

POLITECNICO MILANO 1863

## Enrollment and scholarships in 2018 IT PhD

- final number of enrolled students for the XXXIV Cycle: 73 (63 + 10 II call)
- number of scholarships assigned: **45**
  - 12 by research agreements
  - 14 from the Department
  - 19 from the University
- enrolled without scholarship: **25**
  - 22 covered by a supervisor's grant (equivalent to scholarship)
- enrolled through special national or international agreements: **4** (with grant)

POLITECNICO MILANO 1863

## Occupation

PhD Alumni ending  
in 2015/2016

### 2018 EMPLOYMENT DATA FOR PhD IN INFORMATION TECHNOLOGY

The 2018 official employment survey of Politecnico di Milano targeted PhD graduates of 2015 and 2016. PhD graduates in Information Technology at Politecnico di Milano were 103 in the two years considered. Total interviews: 80, accounting for 78% of the total number.

PhD graduates

**103**

Italian 64%  
International 36%

Were employed 12 months after graduation

**100%**

Were employed before end of PhD Program

**95%**

Companies 60%  
Universities 40%

Employed 92%  
Self-employed 8%

Permanent contract 89%  
Other 11%

Net monthly salary

**€ 2.318**

PhD is required for their job

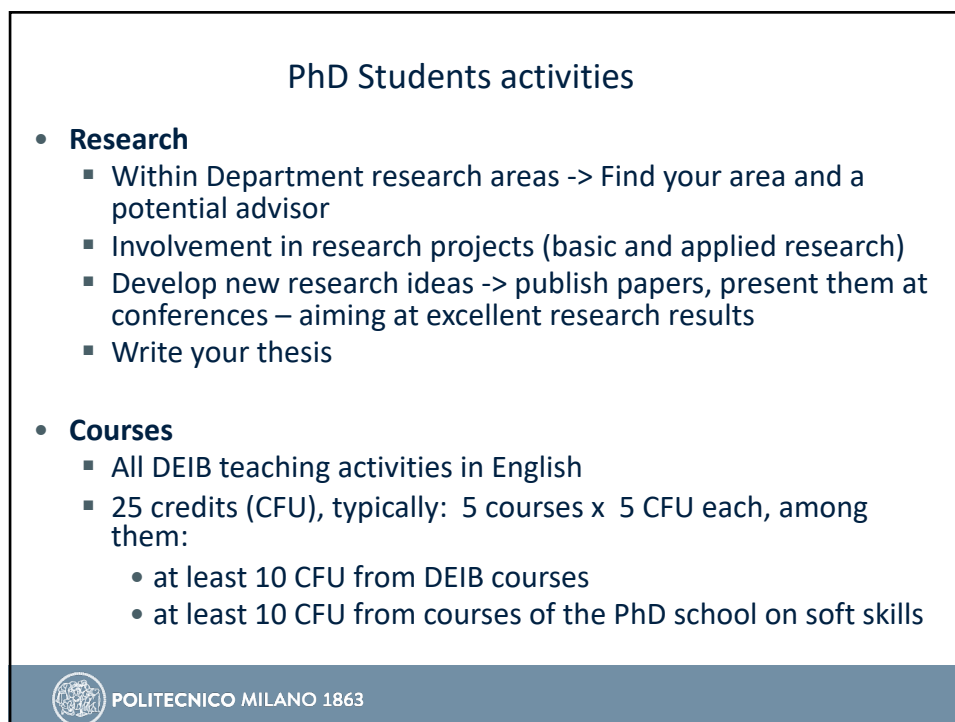

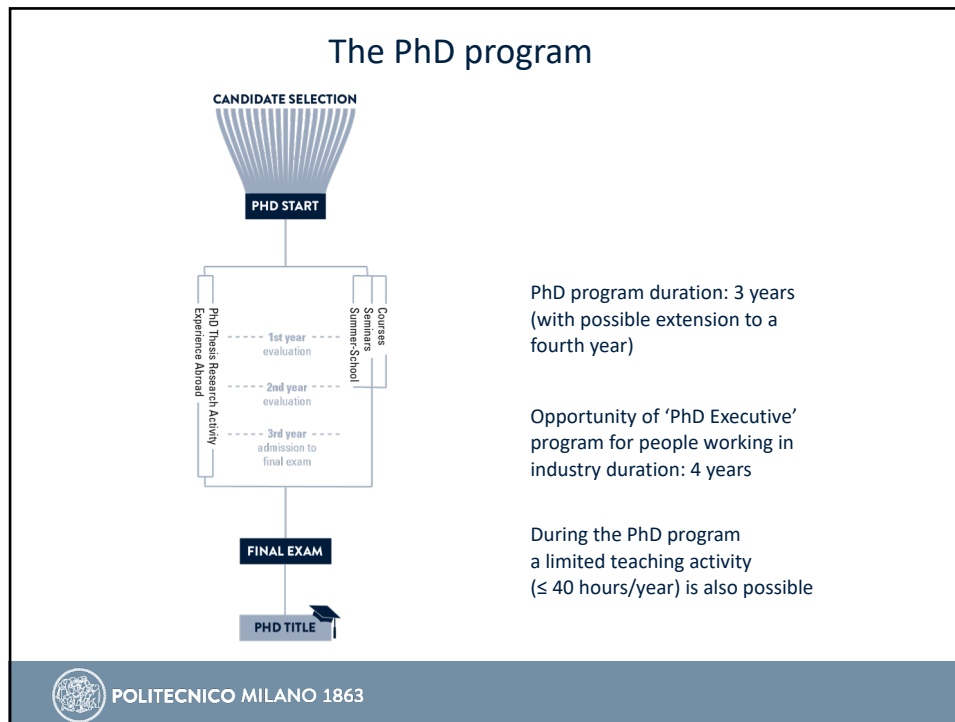

**78%**

Would enroll again at Polimi (satisfied)

**83%**

POLITECNICO MILANO 1863

## The PhD call, selection and enrollment

- Call (published on April 16th, **deadline May 21<sup>st</sup>, 2019 at 14.00**)
- On-line procedure to submit documents
- University Master degree required ( $\geq 95/110$  or  $86/100$  in Italy, or minimum average marks in other countries – see call)
  - Title can be earned by October 31<sup>st</sup> 2019
  - English certificate (see list in the call)
- Result of selection: ranking of candidates
  - Admitted with scholarship
  - Admitted (could get a scholarship in later replacement phase)
  - Idoneous (could be admitted in later replacement phase)
  - Non idoneous (cannot access the PhD program)
- Acceptance of positions and replacements
- Start of the next PhD cycle:
  - November, 2<sup>nd</sup> 2019

POLITECNICO MILANO 1863

## Available positions, scholarships and other grants

### Available positions:

- **34** positions available to be filled according to the selection procedure (competitive selection)

### Scholarships

- **17 + 6** general scholarships in the call
- **10 + 7** topic scholarships, from companies, from DEIB research funds, and from Politecnico (to be selected on the on-line procedure before the deadline of the 21st of May and in another moment in June): ask responsible of each topic scholarship for more information
- Net amount: 1250/1400 euros/month (no taxes)
- Support for accommodation available for some students from abroad (see call)

### Other grants

- most of the students without a scholarship are supported through collaborations to research projects (ask your potential advisor)
- other grants may become available in weeks

POLITECNICO MILANO 1863

### Positions, scholarships

Area	POSITIONS	of which	
		general scholarships	topic scholarships
INFORMATION TECHNOLOGY			
Area 1. Computer Science and Engineering	13	7+2	3+2
Area 2. Electronics	6	3+1	2+3
Area 3. Systems and Control	5	3+2	1+1
Area 4. Telecommunications	10	4+1	4+1

Additional scholarships indicated above are being officially approved

POLITECNICO MILANO 1863

### Topic scholarships from Industry and from Department

Advisor	Area	Topic
Giacomo Boracchi, Cesare Alippi	1	Multimodal and reference-based anomaly detection algorithms
Paolo Cremonesi	1	Online evaluation and experimentation of UI personalization
Giuseppe Bertuccio	2	Advanced ASICs for Scientific Instrumentation for Astrophysics
Giuseppe Bertuccio	2	Study and development of application specific integrated circuits (ASICs) for high resolution and high speed x and gamma ray spectroscopy
Umberto Spagnolini	4	Advanced methods for absolute and relative positioning in high-performance vehicles
Maurizio Magarini	4	Energy aware information transfer and coding solutions for green communications
Andrea Melloni	4	Mixed signals generic testing in photonic integration

POLITECNICO MILANO 1863

### Topic scholarships from Politecnico

Interdisciplinary		
Advisors	PhD Programs	Topic
Lorenzo Fagiano Maria Pina Limongelli	INFO/ISSG	Condition monitoring of the built environment with multicopter networks
Barbara Pernici Tiziano Faravelli	INFO/CIIC	Extracting value from scientific data
Augusto Sarti Roberto Corradi	INFO/MEC	Advanced techniques for the mapping of acoustic sources

POLITECNICO MILANO 1863

### Topic scholarships from Industry and from Department being officially approved

Advisor	Area	Topic
Cesare Alippi Giacomo Boracchi	1	Anomaly Detection in High-Dimensional and Evolving Data Streams
Licia Sbattella	1	Empathetic Conversational Agents
Dario Natali	2	3D Printing of materials of relevance for the microelectronic industry
Daniele Ielmini	2	Design of neuromorphic circuits with resistive memories
Daniele Ielmini	2	Development of crosspoint memory arrays for neuromorphic computing
Lorenzo Fagiano	3	Systems of Tethered Multicopters: theoretical and experimental development
Andrea Melloni	4	Multilayer thin films for UV to LWIR operation

POLITECNICO MILANO 1863

## Application procedure

- Through the on-line application web site
- Max two areas can be selected
- Provide all required info
  - List all the degrees you have and provide transcripts
  - Write a good motivation statement
  - CV (including passed exams and marks, if not yet graduated)
  - Research project
    - A “research” exercise
    - Not necessarily your future research topic, BUT it is suggested to discuss it with your potential advisor
  - Provide references
    - If you are in contact with an advisor you can ask him/her if (s) if you can indicate him/her as reference. In any case you should mention a potential advisor that would agree to advise you
    - Only the names have to be provided, reference letters, skype calls may be asked directly to the contacts
- Select on-line the thematic scholarships (2 phases)

**READ CAREFULLY THE CALL AND FOLLOW THE INSTRUCTIONS**

QUESTIONS?

## PhD students activities

**Advisor:** research direction

**Tutor:** advice and study plan approval

### Research

- Within Department research areas -> Find the advisor in your research area
- Involvement in research projects (basic and applied research)
- Develop new research ideas -> publish papers, present them at conferences and in international journals – aiming at excellent research results
- Write your thesis
- Period of activity outside Politecnico (e.g. abroad) is highly encouraged, but not mandatory. Economical support is available.

POLITECNICO MILANO 1863

## Study plan

Study plan presentation:

- Select courses as soon as possible (see list available on Polimi website)
- PhD School course participation must be approved by the School (write to phdschool@polimi.it)
- Approval by tutor
- Enter info in Polimi information system.
- if strictly necessary, you may follow a course and enter it in the study plan afterwards (inform the Tutor, be aware of registration issues)

POLITECNICO MILANO 1863

### Some hints for study plan

- Insert the Courses (from DEIB, School, other PhD Programs) from the PhD courses list accessible from your 'PhD Study Plan' page
- Courses change every year
- For any type of external course (including summer schools) select: EXTERNAL COURSES WITH EVALUATION
- Please note that formal approval of the course by the tutor is needed
- All courses should have an evaluation, otherwise a public seminar on the course must be given by the candidate and an evaluation by the advisor is required
- Only the Coordinator can delete courses (send formal request)

POLITECNICO MILANO 1863

### Deadlines

- Formalize choice of advisor and tutor (**May 31st**):  
e-mail to [phd-inf@polimi.it](mailto:phd-inf@polimi.it)
- Choose courses and insert them in your study plan on Poliself
- Thesis title and abstract (**August 30<sup>th</sup>**)
- Annual report (**March 15<sup>th</sup>**)
- Annual evaluation (**end Mar./beginning Apr.**)
  - 10 min. presentation of research activities and courses. Q&A

**Deadlines must be matched!**

POLITECNICO MILANO 1863

### Annual evaluation

- Admission to the following year at the end of April
- First year: minimum 15 credits should be taken and research on thesis should have a good start
- Second year: all courses must be completed
- 3rd year (March): evaluation of the 3-year curriculum
- 3rd year (April): Thesis draft to external reviewers
- 3rd year (April): admission to the final exam
- Final exam (external examiners): end of 3rd year  
(June 2022/September 2022)

POLITECNICO MILANO 1863

### Budget, PhD duration

- To each student are assigned 3.068 euros in the triennium that can be used for:
  - Travel expenses, conferences
  - Books, computers, instruments that at the end of PhD remain at Polimi
- Long stays abroad are possible (up to 18 months). Scholarships are increased 50% for the first six months. Formal approval by Board of Professors required.
- Other funding may come from the advisor's funds, teaching...
- Max duration of PhD = 6 years (each year can be repeated once)

POLITECNICO MILANO 1863

Publications (2017) – average values per PhD student at the end of the Program

POLITECNICO MILANO 1863

## Management

### Contacts

Prof. Barbara Pernici (Coordinator)  
 Prof. Cristina Silvano (Computer Science and Engineering)  
 Prof. Angelo Geraci (Electronics)  
 Prof. Luigi Piroddi (Systems and Control)  
 Prof. Matteo Cesana (Telecommunications)

### Standing committee

26 Professors of DEIB

### Secretariat

Francesca Clemenza

### PhD students representatives in the Department and in the PhD Board

Fabio Garzetti  
 Andrea Pimpinella

POLITECNICO MILANO 1863

## Support for administration procedures

- **Secretariat of PhD Program**

The secretariat is responsible for supporting the students and PhD Board in their teaching, administration activities, and formalization of procedures to enroll, and to obtain the degree. It is located in building 20 of DEIB, on the ground floor, in the administrative area.

**Francesca Clemenza** - secretariat responsible

[francesca.clemenza@polimi.it](mailto:francesca.clemenza@polimi.it) - tel. 4209

[phd-inf@polimi.it](mailto:phd-inf@polimi.it)

- **Specific support for international students: Welcome Office**

The welcome office is responsible for supporting students coming from abroad in issues not specifically related to PhD (e.g., visa, accommodation). It is located in building 20 of DEIB, on the ground floor, in the administrative area.

**Laura Brambilla** – welcome office responsible

[welcome-deib@polimi.it](mailto:welcome-deib@polimi.it) – tel. 3427

POLITECNICO MILANO 1863

## Support for administration procedures

**PhD Program WEBSITE:** <http://dottoratoit.deib.polimi.it/>

The home page suggests all the detailed information about training and deadlines.

You are our most valuable users of the web site, please do not hesitate to send us comments, suggestions on how to improve the web site.

POLITECNICO MILANO 1863

## Support for administration procedures

### Traveling

**If you plan to go abroad** for research periods, conferences, summer schools, etc., before leaving you must:

- submit requests exclusively online (at least 10 days before departure) by accessing, through your personal page on the Polimi site (<http://www.polimi.it/servizionline/>), to the application "Phd students career". Such requests should be explicitly approved by the PhD Program Coordinator.
- after getting approval, fill the form online available on <http://www.polimi.it/servizionline/>, in the Mission section, to request funding for missions to the Coordinator, if the mission is paid by your PhD funds, or to any other professor that will pay for your mission. Please, check the box stating that your request has already been approved by the Program Coordinator. For insurance matters, you must fill this form even if you don't request any funding.

BOTH authorizations should come to the mission office BEFORE your leaving date.

**If the mission is in Italy** you have to:

- fill the form online available on <http://www.polimi.it/servizionline/>, in the Mission section, to request funds for missions to the Coordinator, if the mission is paid by your PhD funds, or to any other professor that will pay for your mission.

The person in charge of this activity is: Nadia Prada (phone 3537 - [fernanda.prada@polimi.it](mailto:fernanda.prada@polimi.it))

POLITECNICO MILANO 1863

## Support for administration procedures

### Purchases

**Virgilio Testa, Marco Zuin** (tel. 3754 – [ufficioacquisti-deib@polimi.it](mailto:ufficioacquisti-deib@polimi.it))

Procedure: fill the on-line request of order for the purchase available on <https://intranet.dei.polimi.it/servizi/acquisti.php>

### Communication

**Laura Brambilla, Rosa Petrelli** (tel. 3427 – [redazione-deib@polimi.it](mailto:redazione-deib@polimi.it))

You have to update before June 1<sup>st</sup> your page on the Department website, by sending to [redazione-deib@polimi.it](mailto:redazione-deib@polimi.it):

- a short bio in Italian and English, or English only
- a photo of you that will be published there
- link to personal pages, if any

As soon as you define a research line, you should send a short description of it to [redazione-deib@polimi.it](mailto:redazione-deib@polimi.it), to update your personal page.

POLITECNICO MILANO 1863

## Entering the Department

**DEIB WEBSITE:** <http://www.deib.polimi.it/>

On the DEIB website are listed the procedures to obtain access to rooms and facilities. You will need badge and room keys.

Your reference for these procedures are the secretaries of your respective Sections

Computer Science: Laura Caldirola, Alessandra Viale

Electronics: Marjorie Ballesteros

Systems and Control: Antonella Rinaldi

Telecommunications: Vita Ciesco
